LIMITED REVIEW REPORT ON THE INTERIM CONSOLIDATED FINANCIAL STATEMENTS

To the shareholders of
Solutions 30 SE
3, rue de la Reine
L-2418 Luxembourg

Introduction

We conducted a limited review of the attached interim consolidated financial statements of Solutions 30 SE as of 30 June 2019, consisting of the consolidated balance sheet and the related consolidated profit and loss account for the period from 1 January 2019 to 30 June 2019 as well as the annex consisting of a summary of the principal accounting methods and other explanatory notes. The Management Board (*Directoire*) is responsible for the establishment and a full presentation of these interim consolidated financial statements in accordance with accounting principles. Our responsibility is to issue a report on these interim consolidated financial statements on the basis of our limited review thereof.

Scope of our limited review

We conducted our limited review in accordance with the international standard concerning review missions by auditors of interim consolidated financial statements (ISRE 2410). A review of interim consolidated financial statements is limited to interviews, mainly with accounting and financial officers, as well as analytic procedures and other review procedures. The scope of a review is significantly less than that of an audit conducted in line with international auditing standards and is not sufficient to allow us to provide assurances that we have identified all significant anomalies that might have been detected in the course of an audit. As we have not conducted an audit, we are not expressing an audit opinion.

Other matters

The annual accounts as of 31 December 2018 and the profit and loss accounts for the financial year ending on that date have been audited by a different approved statutory auditor, who expressed an unqualified opinion on 24 April 2019.

Conclusion

On the basis of our limited review, no matter came to our attention that leads us to believe that the attached interim consolidated financial statements have not been presented faithfully, in all important regards, in compliance with the Luxembourg accounting standards.
